

Copyright Publication Agreement

22nd International Meshing Roundtable

The Submitting Author hereby warrants that the Submitting Author has the full right and authority to, and hereby does, assign, transfer and convey to Sandia Corporation ("Sandia"), without reservation and on behalf of any and all Authors of paper(s) listed below (the "Work"), the sole right to print (including printing on demand), publish, and sell throughout the world, including, without limitation, all revisions or versions and future editions in any medium, as well as any language, said Work or any part thereof.

The authors warrant that the work is original except for such excerpts from copyrighted works (including illustrations, tables, and text quotations) as may be included with the permission of the copyright holder and author thereof, in which case(s) the author is required to indicate the precise source. The authors also warrant that the work has not heretofore been published in whole or in part, that it contains no libelous statements and does not infringe on any copyright, trademark, patent, statutory right or proprietary rights of others.
